UP-COMING EVENTS

Each week during the semester in this space the OUACHITALK will provide those events which are scheduled to occur from Friday to Friday.

More and more college freshman all over the country are doing it--enrolling in Army ROTC's Four-Year Program. You can join this 'in' group, too. Army ROTC develops your leadership potential and management skills to give you an edge in college and later on. But it's not all books and

classrooms. There's Adventure Training, to challenge or help build your physical stamina. And, at the end, there's your commission as a second lieutenant in the U.S. Army in either the Active or Reserve Components. To find out more call, CPT. Jim Pitts at ext. 310.

POST OFFICE NOTES.....

In order to expedite the delivery of your mail to your post office box the following procedure is requested:

1. Each piece should be as large as a post card.
2. For each piece larger than a post card, please fold.
3. For mail on which you put box numbers arrange them in numerical order by box number and hand them to the clerk at the window.

If you require someone to pick your mail up, please give them the combination to your box and ask them to open it rather than call for it at the window.

Please check your box at least once a day. We do make mistakes and this will enable us to correct any errors. Your cooperation is solicited in order to provide the best possible mail service.

Welcome to the 'World of Ouachita' we hope that you will find your collegiate experiences to be the best times of your life. If there is anything we can help you with please call us at ext. 220.

Dean of Students,

B. Allen Dixon
